EMPLOYABILITY with SKILLS

Want to put yourself at the front of the queue when it comes to understanding what job opportunities are waiting for you after leaving education, and what employers are looking for in their future workforce?

Then put yourself in pole position by attending our **work-wise**

Summer Academy and Get up to Speed Employability Days!

Get up to Speed with Employment Opportunities

Gaining qualifications is a key stepping stone to future employment, but qualifications alone do not guarantee success in finding, keeping and progressing in employment.

Also critical are those **key skills** and **personal attributes** that employers are looking for.

Do you know - and have you got - what it takes to become a valued and indispensable employee?

The following opportunities have been designed and are supported by employers determined to help you better prepare for adult life and a successful career.

Who are they for?

For young people

(aged 13 - 18) keen to get a head start and a real taste and experience of the world of work

For parents

keen to help their son or daughter improve their employment and education prospects

For schools

and other educators keen to encourage students who would benefit from an introduction to the world of work outside school (contributing towards Gatsby Benchmarks 5 & 6)

Open to individuals and school/community groups to attend. Bespoke programmes can be delivered to individual schools - ask us for details.

Delivered by: work-wise

The Ultimate Interview

work-wise is an employer-inspired and -led initiative to support the development of young people, so they have the knowledge, skills and opportunities for employment.

Get up to Speed Employability Days

STEM Back to the Future!

(1 Day)

DATE TBC

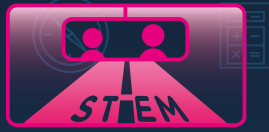

9.30am - 6.00pm

Various including Magna Science Adventure Centre

£24 + VAT per person

Focused on careers in science, technology, engineering and manufacturing, this day is full of hands on activity learning about the history of the sector, meeting business leaders and apprentices/graduates from industry and finding out about the industry today and jobs of the future.

Participants are then set a challenge working in teams to create a display/performance around what they have learned and present this to invited parents/families and other guests at the end of the day.

Get up to Speed work-wise Summer Academy

(4 Days)

Start dates:

Mon 29 July 2019

Mon 5 August 2019

Mon 12 August 2019

Mon 19 August 2019

9.30am - 4.00pm each day

Various venues

£100 + VAT per person

A comprehensive programme held in the summer holidays introducing young people to the world of work in a fun and interactive way.

Day 1 – Broadening Horizons – Introduction to Industry and the world of work

Day 2 – A day in Industry – company based day including tour and activity with guest presenters introducing different aspects of how a business operates

Day 3 – Make, Create, Innovate – fun, hands on team challenge putting the skills learned into practice

Day 4 – What Employers Want Conference and Graduation – as per the 1-day described finishing with a graduation ceremony for participants and families.

NOTE: All workshops take place outside school time so do not impact on lessons in the classroom.

Get up to Speed with Skills that Matter

(1 Day)

DATE TBC

9.30am - 4.00pm

Various including Lifewise Centre, Hellaby, Rotherham

£24 + VAT per person

A full day of activity introducing the skills, attributes and knowledge required for the world of work. Held at venues including the Lifewise Centre in Rotherham (an indoor street scene set), the day involves experiencing a range of interactive sessions on work related themes including: problem solving, first impressions, visual impact and interview skills, online safety and employment, teamworking, health and safety in the workplace, digital skills for employment, enterprise and entrepreneurship.

Get up to Speed with What Employers Want

(1 Day)

DATE TBC

9.30am - 4.00pm

Business Premises or Hotel

£24 + VAT per person

A full day conference where participants attend as business delegates and are supported by business leaders who facilitate the day's activities.

These include contracts of employment, assessment centre tasks, presentations and applying for jobs (including a CV surgery, job applications/letters, telephone and face-to-face interviews), concluding with self reflection, self assessment and personal development planning.
